SERVING: INDIANA / MICHIGAN / OHIO

PRINCIPALS AND PRODUCTS REPRESENTED

Lenthor Engineering - MI/OH/IN - www.lenthor.com

- Single sided through 30 layers of flex , Multi-layer Rigid Flex, Staggered Layer Flex, Dual Side Access, Teflon and Rigid Boards through 30 Layers, Blind and Buried Vias, Load Boards & Probe Cards
- Complete Design for Manufacturability consulting using Valor Genesis ODB+++ DFM software
- Complete In-House Flex Circuit Turnkey Assembly Services.
- Lenthor Flex Express Service. From single and double sided flex in 24 hours to rigid flex designs in 2 days, our employees are prepared to do whatever it takes to answer your call.
- Qualifications: MIL-P-50884. Compliant to ISO-9002.

CRISTEK Interconnects, Inc. - www.cristek.com

- Manufacturer of electronic connectors and harness assemblies for military, aerospace, and biomedical markets
- Products include: Micro-D, D-Subminiature, Micro Strip, Nano, M24308, M55302/127 & 128, Circular - MMC/PMC/FMC/QDC/HDC, Filtered - M38999, M26482, M83723, M26500, M24308 & M83513, Terminal Junction Blocks - M81714
- Qualifications: MIL-Q-9858A & ISO-9001.

INCON Inc. - MI/OH/IN - www.inconconnector.com

- MIL-C-55302 - .075 & .100 Centerline Connectors
- DSCC Qualified on the following slash sheets: /21/22/55/56/57/58/59/60/61/62/63/64/65/66/138/139/190/191/192 & 193
- Qualifications: AS9100 & ISO-9001.

Lansdale Semiconductor, Inc. - MI/IN - www.lansdale.com

- Diminishing source products for Integrated Circuits
- TTL, DTL, HTL, RTL, ECL, Linear & TTL memory
- AMD, Fairchild, Harris, Intel, Motorola, Raytheon & Signetics

TEKA Interconnection Systems, Inc - MI/OH/IN - www.tekais.com

- PC Card and compact flash headers and card side receptacle with solder-flux bearing leads or single sided SMT
- 2.0mm & .100" headers and receptacles - Self Soldering Versions
- PC/104 and plus receptacles - Self Soldering Versions
- Qualifications: ISO-9001.

H & S Swanson's Tool Company - MI/OH/IN - www.hsswansons.com

- Complex machining from casting, forgings & bar stock
- In-house finishing operations - Chromate, MIL-SPEC Painting, Marking, & Impregnation
- Experienced supplier to "High Reliability" suppliers
- Qualifications: MIL-I45208. Compliant to MIL-Q-9858A, ISO-9002.

PMF Industries, Inc. - MI/OH/IN - www.pmfind.com

- No other company can combine flowforming with more state-of-the-art processes, in-house manufacturing, design flexibility, and overall project control than PMF. It's what we call FlowformingPlus!
- Metal Forming Processes: Flowforming - tube spinning, shear spinning. Press Work - blanking, deep drawing, piercing, sizing, reforming, flaring. Machining - CNC, turning, milling, drilling. Welding - manual and automatic GTAW and GMAW. Hydroforming, Rotoforming & Electromagnetic Forming (EMF).
- Misc. Processes: Mechanical and electropolishing. Annealing, Assembly & ASME Code Work.
- Qualifications: Compliant to ISO-9001.

TEC-CAST, Inc - MI/OH/IN - www.tec-cast.com

- Aluminum Investment Casting
- In-house finishing and testing - Heat treatment, Fluorescent Penetrant Insp., Radiographic Insp., Weld Repair, & Marking
- Rapid Prototyping - Stereolithography (SLS/SLA)
- Qualifications: MIL-I-45208, MIL-STD-45662, ISO 10012-1, D1-9000A. Compliant to ISO 9002 & AS9100.

Array Connector - FL - www.arrayconnector.com

- PC Circular Connectors
- Mil-C-26482 series I crimp and solder connectors
- Filtered Connectors (RFI/EMI)
- Qualifications: ISO9001-2000. Inspection sampling plan is in accordance with MIL-STD-105 Level II, Normal. Array's inspection system has qualified to NASA Handbook 5300.4 by Lockheed Space Operations Company
